

The Cycle of Conferences

Visualisation on: *The World Economic Forum*

Today, in the planning now going forward in connection with the various international conferences and councils of which you all know, the spiritual effort (for the first time in human history) is to bring all of them, as functioning groups, under the direct impact of the energy which motivates and actuates that place where the Will of God is known and the purposes of divinity are defined and projected. This means that each of the coming world conferences (and there will necessarily be many) will have a greater and far more extensive effect than would otherwise be the case. (The Externalisation of the Hierarchy pg 447)

1. Link up with the souls of all fellow servers who are meditating on *The World Economic Forum*.
2. Visualise a tide of lighted energy pouring down from the “Centre where the Will of God” is known, and pouring into the centre Humanity. Imagine the whole group sounding the affirmation of the Will together:

*"In the centre of the will of God I stand.
Naught shall deflect my will from His.
I implement that will by love.
I turn towards the field of service.
I, the Triangle divine, work out that will
Within the square and serve my fellowmen."*

3. Through the mind’s eye, project a lighted seed of ‘will energy’ into the heart of the thoughtform under construction on the ‘spirit of Davos’ and economic transformation towards a new spiritual reality of cooperative sharing. See myriad streams of ‘living will energy’ connected to it by co-workers around the world.
4. Reflect for a few minutes on the theme and intention of Davos: “*Shared Norms for the New Reality...*...the exploration of strategies and solutions that have positive transformational implications...going beyond analysis and elaborating innovative ideas and solutions to key global challenges.” See the essence of any ideas and reflections adding to the potency of the group thoughtform.
5. Visualise the pulsating nucleus of light at the heart of the thoughtform being fanned into a flame by the group gaze and see its radiation touching the consciousness of all participants at the forum.
6. Quietly sound the Great Invocation, imaginatively hearing it being chanted by the worldwide group. As you do so, visualise the outpouring of Light and Love and Power through the five planetary inlets London/Darjeeling/NewYork/Geneva/Tokyo), irradiating and enlightening the proceedings of the forum.
