Talk – Headquarters Group

“[The] new invocative work will be the keynote of the coming new world religion... There will also be the skilled work of invocation by those who know the potency of formulas and mantrams. One of the formulas produces the transfiguration... At the very centre of the light in the head is an opening leading somewhere. It has been named the “trumpet through which the escaping A.U.M. can pass.”

2.00pm ***The Way to Shamballa*** *An Esoteric Catechism*

Death the Great Adventure *Irene Campagnolo Maschio*

Irene Campagnolo Maschio is a Physiotherapist at Princess Alice Hospice, Esher. Drawing on her understanding of the death process as regeneration and entrance into a new cycle of life, Irene will be discussing how she helps patients under palliative care accept decline while living as fully as possible until the transition comes. She works to bring awareness of hidden emotions and thoughts so that what needs to be considered can emerge and be shared.

The Violet Force and Health *A discussion with Dr. Lee Blackburn*

“The violet angels or devas are predicted to become especially active when the Christ Himself appears. Their activities will include: Instruction in the efficiency of violet light in lessening human ills. Concentrating man’s attention upon the etheric body so that the work and health of the physical body will become increasingly automatic. Teaching humanity to expand consciousness to include the super-physical so that the separating web (the veil of the temple) which divides the physical plane from the unseen world will eventually be destroyed. The date is said to be imminent.”
