Dr. Wayne Sterba
“Love [as] the path of least resistance...must reach the hearts of men and... fecundate humanity with the duality of loving-understanding [which] is what is expressed when love and intelligence are brought together.” Yet our Gracious Teacher gives us a “formula of approach” to Sacrifice through love, thus tending to a “harmony of similarity” of human intelligence, love, and sacrifice with the Christ consciousness.

- 3:45 pm **The Way of Fire** *Headquarters Group*

“The Christ force... imparts into the usually available energies certain conditioning qualities which emanate from Shamballa and are, therefore, related to the will aspect. This type of force has not hitherto been available to working disciples but is now available, having been released at the Wesak Festival of this year (1948).”
Discipleship in the New Age, Vol. II, p. 375.
