## Afternoon session *Everyone welcome*

- 13:30 **Welcome** *Headquarters Group*
- 13:40 **Expressing purpose and will through synthesis** *Michael Galloway (English)* *It is not easy for the disciple in training to associate the sense of synthesis and the use of the will together and to realise that a cultivation of this first ray perception is a potent mode by which the highest aspects of the spiritual will (as yet embryonic within him) can be unfolded.*
- 14:00 **The law of sacrifice: liberation of life imprisoned in the human form** *Sabine Rudin (German)* *Some lives are prisoners and know it. Others are prisoners and know it not. The clue to suffering lies right here in the realm of mind. Pain and agony, rebellion and the conscious urge towards betterment and the changing of conditions are only found where what we call individuality is present, where the “I” complex is controlling, and where a self-conscious entity is functioning.*
- 14:15 **Visualisation** (*French*)
- 14:25 **The role of the latent will in the awakening and progress of humanity** *Ligia Saramago (Portuguese)* *Sacrifice is, technically speaking, the achievement of a state of bliss and of ecstasy because it is the realisation of another divine aspect, hidden hitherto by both the soul and the personality. It is understanding and recognition of the will-to-good which made creation possible and inevitable, and which was the true cause of manifestation. Ponder on this, for it is very different in its significance to the usual concepts anent sacrifice.*
- 14:40 **Group Meditation: Letting in the Light** (*Italian*)
- 14:55 **Break**
- 15:25 **Synthesis and group fusion: The challenge of the New Group of World Servers** *Adeline Meli (French)* *... the quality of determination, or of what the average person understands by the use of the word “Will,” is pouring into the New Group of World Servers, whilst the energy of dynamic purpose, differentiated into seven diverging streams, is pouring into each of the “seven points of reception,” the Masters’ Ashrams within the ring-pass-not of the Hierarchy. These seven types of purpose embody the seven energies which will reorganise and redefine the hierarchical undertakings, and thus inaugurate the New Age.*
- 15:40 **Group Discussions** - *in several language groups*
- 17:10 **Group Meditation: Letting in the Light** (*Spanish*)
- 17:30 **Close**

## Afternoon session *Everyone welcome*

13:30 **Welcome** *Headquarters Group*

13:40 **There is no such thing as sacrifice when the spiritual will expresses itself.** *Olga Sokolova (Russian)* *The Will is fundamentally an expression of the Law of Sacrifice. Paradoxically we found that when the spiritual will was—even in a small measure—expressing itself, there was no such thing as sacrifice.*

13:55 **The significance of the spirit of Sacrifice in group work.** *Silvana Bianchi (Italian)* *The symbolic activity of the great Teacher of Nazareth will be properly understood, and its significance will be properly appreciated only when group implications are more carefully studied, the meaning of sacrifice and of death come into their rightful place in the human consciousness, and the law of giving, with all that that entails, is correctly understood and applied.*

14:10 **Visualisation** *(French)*

14:20 **Synthesis, Will and Sacrifice: what are their manifestations for the redemption of humanity?** *Philippe Domé (French)* *You will already have noted—as you have studied the Invocation—that the three major centres in our planet are linked up: Shamballa, “where the Will of God is known,” the Hierarchy, where Christ rules and from whence He seeks closer contact among men, and the centre which we call Humanity. There is a close relation between the first stanza and the final one; humanity’s destiny is, as you know, to be the exponent of the mind of God, thus expressing active intelligence, motivated by love and implemented by will.*

14:35 **Group Meditation: Letting in the Light** *(German)*

14:50 **Break**

15:20 **Sharing is being** *Peter Spaans (Dutch)* *The Lord of the World, the “Ancient of Days,” is releasing new energies into humanity, transmuted in the present furnace of pain and fiery agony. This transmutation will bring about a new power of sacrifice, of inclusive surrender, a clearer vision of the Whole and a cooperative spirit hitherto unknown and which will be the first expression of that great principle of sharing, so sorely needed today.*

15:35 **Group Discussions** - *in several language groups*

16:40 **Group Meditation: Letting in the Light** *(English)*

17:00 **Close**

*Note: All speakers, on both days of the Conference, are students of the Arcane School.*
