## Afternoon session *Everyone welcome*

- 2:00 pm **Welcome** *Headquarters Group*
- 2:15 pm **The Use of the Spiritual Will in Service** *Emily Doan*  
One of the indications that the aspirant is no longer upon the Probationary Path is his emerging from the realm of aspiration and devotion into the world of the focused will. The will, when applied in service to the Plan, has no relation to individual and personal problems, but to the life of the whole.
- 2:25 pm **Invocation and Evocation: The Science of Magnetic Rapport** *Headquarters*  
Through the focusing of invocative demand, the disciples of the world can generate an energy which will bring about a closer rapport between Hierarchy and Humanity and make a true impact upon the world of human living.
- 2:35 pm **Detachment and the Art of Compromise** *Isha Strasser*  
“Disciples in all Ashrams have a task of ‘modifying, qualifying and adapting the divine plan’ simultaneously. Why is this so? Why is the Plan not imposed?” This talk will explore *Hint III* in light of detachment and the art of compromise.
- 2:45 pm **Visualization**
- 2:55 pm **Discipleship after the Age of the Forerunner** *Panel Discussion*  
The panel will discuss the core principles of discipleship and their evolving importance post-2025.
- 3:25 pm *20-minute Break*
- 3:45 pm **Express: An Hierarchical Injunction** *Headquarters Group*  
‘Express’ is an injunction to be creative. It’s not related to an individual’s own needs or requirements, but rather to the need of others for those expressions of truth which will guide them on their way.
- 3:55 pm **A Great Redemptive Experiment** *Mintze Van Der Velde*  
It might be said that the Purpose of the planetary Logos, as it emanates from His high place under the impact of His will-to-good, is redemptive in nature. Aeons ago Humanity, as “Sons of Mind”, was chosen as the scientific agents who would carry forward the great redemptive experiment which is our tiny planet’s contribution to the macrocosmic whole.
- 4:05 pm **Visualization**
- 4:15 pm **Ashramic Sharing** *Nazanin Zohdi*  
The perfected strength of the Ashram becomes available to the disciple whose purity of heart has enabled him to penetrate into it. By means of ashramic sharing, great united strength can be brought to the service of the Plan.
- 4:25 pm **“THAT which is Beauty, Goodness and Truth...”** *Headquarters Group*  
As the New Group of World Servers, we hold the vision of the Plan for humanity. In the Aquarian Age, we are also to help humanity creatively express its soul quality at every level of human and planetary life.
- 4:35 pm **The Spiritual Destiny of Humanity** *Panel Discussion*  
The discussion will focus on the role of the new group amidst the tensions incident to the unfolding externalization and the promise held out to the human kingdom in the Aquarian age.
- 5:05 pm **Group Meditation: Letting in the Light**
- 5:30 pm **Close**

# Sunday, May 11

## Morning session

11:00 am – 12:30 pm **Secretarial Workshop** For Secretaries and Secretaries-in-Training only (*Link to join the broadcast sent privately*)

## Afternoon session *Everyone welcome*

- 2:00 pm **Seeing Divinity on Every Hand** *Headquarters Group*  
That which is to be revealed lies all around us, and within us. It is the significance of all that is embodied in form, the meaning behind the appearance, the reality veiled by the symbol, the truth expressed in substance.
- 2:10pm **Visualization**
- 2:20 pm **The Mystery of Sound and the Vision of a New World**  
*Headquarters Group*  
Can we reconcile the dissonances of the modern world with the vision of the Soul controlling life and the happenings of the time? Can sound and music serve as a bridge to the world of causes?
- 2:30 pm **Identification, Expression, Becoming** *Zed James*  
The Angel of the Presence stands within the light divine—the centre and the meeting place of many forces. Eye to eye, and face to face, and hand to hand, they stand. Will reinforces will, and love meets love. The will-to-power merges with the will-to-love and strength with wisdom meets. These two are one. From that high spot of unity, the One who is released stands forth.
- 2:40 pm **Freedom and the Divine Plan: The Four Freedoms**  
*Small and Large Group Discussions*  
The Four Freedoms, originally articulated by Franklin D. Roosevelt, are “as much of the Plan as humanity can reasonably put into effect” at this time. The quality of freedom is essential for humanity “to live, to think, to know, and to Plan.” In small groups, we will discuss freedom and its role in our effort to “express the quality of the hidden vision.”
- 3:30 pm *20-minute break*
- 3:50 pm **The Nature of the Hidden Vision**  
*Panel Discussion with audience participation*  
The nature of the Hidden Vision cannot readily be expressed in words, for it refers not to man’s vision of God but to God’s own vision of His purpose. Only when functioning as a soul, with the developed inner eye focused outward into the world of phenomena and inward into the world of reality, can the briefest glimpse be seen. In this final session, panelists and attendees reflect on the conference keynote.
- 4:20pm **Preparation for Wesak** *Period of Recollection and Silent Contemplation*
- 4:30 pm **The Festival of Wesak** *Full Moon Meditation Meeting*  
Centuries before Christ, the Buddha opened the path to enlightenment for all of humanity, paving the way for the illumination of the collective human consciousness. The entire theme of light permeates Wesak and resonates with Taurus’ keynote: “I see, and when the eye is opened, all is Light.”
- 5:30 pm **Close**

**Note: All speakers are students of the Arcane School.**

*The Christ's Festival*  
*Full Moon Meditation Meeting*

*Tuesday, June 10, 6:00 pm EDT*

**To be held at the Lucis Trust offices:  
866 United Nations Plaza, Suite 482, New York, NY 10017**

The Christ's Festival is the climax of the higher interlude of the spiritual year when the energies built up over the past months focus on the powerful approaching light of the Christ. This Festival of the Christ is also known as the Festival of Unification, the Festival of Humanity and of Goodwill. In its most powerful synthetic expression, it is the *Festival of the Spirit of Humanity*.

We are invited to observe this Festival subjectively, intelligently, imaginatively, and in unison with others around the world. It is the time to acknowledge but leave aside our imperfections, and to focus on our potential to emulate Christ—to be in deep communion with the Divine Will and thus to be a beacon of right relationship and goodwill in the world.
