- 13:30 Welcome Headquarter Group
- 13:40 **The Law of Synthesis, Group Synthesis and learning to draw near to the Face of the Father** *Steve Nation (English) The Law of Synthesis... is the law of spiritual existence, and one of the three major laws of our solar system, as well as of our planet. It is a basic cosmic law, applied from sources of which we know nothing, as are the Laws of Attraction and of Economy... It is the law governing the activities of the Spiritual Triad, and the conditioning law of monadic living. It works neither through the use of the energy of love nor through the application of the principle of economy.*
- 13:55 **The significance of Christ's statement: "I and my Father are One"** *Rita Weling (German) The final result of the work of the Christ is to be found in our identification with the whole: individuality, initiation, and identification—these are the terms in which the message of the Christ can be summarised. He said, when on Earth: "I and my Father are One," and in these words epitomised His entire message. I, the individual, through initiation, am identified with Deity. Therefore we have: 1. The Buddha . . . the method . . . Detachment, Dispassion, Discrimination. 2. The Christ . . . the result . . . Individualism, Initiation, Identification.*
- 14:10 **Visualisation (French)**
- 14:20 **Creative activity and love enable the disciple to find the way to the Father** *Gerard Delplace (French) He discovers that death is simply an effect produced by life and by his conscious will, and is a mode whereby he directs substance and controls matter. This becomes consciously possible because, having developed awareness of two divine aspects—creative activity and love—he is now focussed in the highest aspect and knows himself to be the Will, the Life, the Father, the Monad, the One.*
- 14:35 **Group Meditation: Letting in the Light (Spanish)**
- 14:50 **Break**
- 15:20 **The role of detachment in preparing the brain consciousness for the revelation of the Will aspect** *Fernando González (Spanish) Through detachment, the brain consciousness or state of awareness . . . is withdrawn or abstracted from the things of the senses and from the calls of the lower nature. . . . Through dispassion, the emotional nature is rendered immune from the appeal of the senses and desire fails to deter the soul from its rightful task. Through discrimination, the mind learns to select the good, the beautiful and the true, and to substitute these for the sense of "identification with the personality," which is so characteristic of the majority of men. . . . These three attitudes, when correctly and sanely held, will organise the personality, bring in the rule of wisdom, and prepare the disciple for initiation.*
- 15:40 **Group Discussions** *- in several language groups*
- 17:10 **Group Meditation: Letting in the Light (German)**
- 17:30 **Close**

13:40 **Replacing the fires of the critical mind with the fire of the Will-to-**

Love *Mayte Gómez (Spanish)* The will-to-love means the love of the greater Whole and the ability to do that which is needed for the good of the group in the right way and with the needed skill in action. It involves capacity for firm action where need arises, because the disciple has a long range vision and is not misled by the immediate perspective. He works and prepares for the future. It is, in other words, the loving intention to fire the entire world with the new idea of the “spirit of relationship,” beginning with the disciple’s own self, his family and immediate group. This is the will-to-fire. It would be well to reflect deeply on these ideas.

13:55 **The role of the will-to-fire in the liberation of Humanity** *Silvana Bianchi (Italian)* As the breath of fire streams upward through the system, as the fiery element makes its presence felt, that which is hindering is seen to disappear, and that which was obscure becomes illuminated. The fire ascends and barriers are burned; the breath expands, and limitations disappear. The seven, hitherto quiescent, stir to life. The ten portals, sealed and closed or partially ajar, swing wide. The five great means of contact rush into activity. Obstacles are overcome, and barriers no longer hinder. The purified one becomes the great receiver and the One is known.

14:10 **Visualisation** *(French)*

14:20 **Glamour and illusion veil what is always present** *Claire Nelissen (Dutch)* Detach thy thought from form and find Me waiting underneath the veils, the many-sided shapes, the glammers and the thought-forms which hide my real Self. Be not deceived. Find Me. Know Me. Then use the forms which then will neither veil nor hide the Self, but will permit the nature of that Self to penetrate the veils of life, revealing all the radiance of God, His power and magnetism; revealing all there is of form, of life, of beauty and usefulness. The mind reveals the One. The mind can blend and fuse the form and life. Thou art the One. Thou art the form. Thou art the mind. Know this.

14:35 **Group Meditation: Letting in the Light** *(French)*

14:50 **Break**

15:20 **A trained mind with an awakened heart is the true burning fire** *Wladislav Sytnyk (Russian)* The heart afire with love (not with sentiment or with emotion) is your life goal and this must be achieved not by stifling the intellect but by an intellectual perception of the significance of the loving heart, plus an active understanding of the significance of human suffering, leading eventually to participation in it. It is this relation of the trained mind and the awakened heart that constitutes the true burning ground.

15:40 **Group Discussion** - in several language groups

16:40 **Group Meditation: Letting in the Light** *(English)*

17:00 **Close** *All speakers, on both days of the Conference, are students of the Arcane School.*
