**LET THE GROUP LIFE BE INSPIRED BY THE RULES FOR INITIATION:  
KNOW, EXPRESS, REVEAL, DESTROY AND RESURRECT**

*Let us take each of these five words and seek to ascertain their significance. But first of all, I would like to point out that here we are concerned with **monadic signatures**, with that which synthesises significances, and with that which contributes vital significance to the initiated life. I would have you, as you read my words, retreat within yourselves and seek to think, feel and perceive at your highest possible level of consciousness. The effort to do this will bear much fruit and bring rich reward to you. You will not grasp the full intention of these words, but your sense of awareness will begin to react to triadal impression.*

*The Rays and the Initiations, p. 287*

**13h30** Introduction – *in French*

**Expressing purpose and will through synthesis** – *Steve Nation in English*

The task of the Initiates is therefore to perceive the Plan which is the hierarchical mode of implementing the divine Will, plus the Purpose which is perceived by the Heads of the Hierarchy. They have also to undertake to see that that Plan becomes a factual expression upon the physical plane and a part of the recognised consciousness of humanity as a whole.

**Listening is the seed of obedience** – *Ute Pasalk-Sembowki in German*

Listening is the seed of obedience, O Chela on the Path. More loudly comes the voice; then suddenly the voices dim and listening now gives place to knowing—the knowledge of that which lies behind the outer form, the perception of that which must be done.

**Revealing intuition and wisdom through service** – *Joceline Cussol in French*

Initiation is, therefore, a constant fusion of the lights, progressively entered, thus enabling the initiate to see further, deeper and more inclusively. As one of the Masters has said: "The light must enter vertically and be diffused or radiated horizontally." This creates the cross of service upon which the disciple is pendant until the Cross of Sanat Kumara is revealed to him; he knows then why this planet is—for wise and adequate reasons—the planet of distress, dispassion and detachment. When he knows this, he knows all that our planetary life can tell him and reveal to him. He has transmuted knowledge into wisdom.

Group Meditation – *in German*

**14h50 BREAK**

**15h25** Expansion of consciousness and group progress – *MaAntonia Massanet Sola in Spanish*

Group initiation means that the bulk of the members are correctly oriented; that they are proposing to accept the discipline which will prepare them for the next great expansion of consciousness, and that none of them can possibly be deviated from their purpose (note that word with its first ray or Shamballic implications), no matter what is happening in their environment or their personal life.

**The Antahkarana - the "Radiant Way" of Resurrection** – *Evgueni Pikalov in Russian*

The line or the path or the Way of Resurrection is the "Radiant Way" to which we have given the cumbersome name of the Antahkarana; this Way leads straight and directly from one great planetary centre to another—from Humanity to the Hierarchy and from the Hierarchy to Shamballa. This is the Way of Resurrection. It is a Way which is composed of the light of intelligent substance, of the radiant attractive substance of love, and the karmic way which is infused by the essence of inflexible will.

**Harmlessness and the restoration of the flow of spiritual impression** – *Massimo Bechini in Italian*

Humanity has never really lived up to the teaching given to it. Spiritual impression, whether conveyed by the Christ, by Krishna or by Buddha (and passed on to the masses by Their disciples) has not yet been expressed as it was hoped. Men do not live up to what they already know; they fail to make practical their information; they short-circuit the light; they do not discipline themselves; greedy desire and unlawful ambition control and not the inner knowledge. To put it scientifically and from the esoteric angle: Spiritual impression has been interrupted and there has been interference with the divine circulatory flow. It is the task of the disciples of the world to restore this flow and to stop this interference. This is the major problem facing the Ashrams at this time.

**Music and the Ageless Wisdom** – *Mario Eugster in German*

**Group Meditation** – *in Spanish*

**14h45 BREAK**

**15h30** Let the group reveal its underlying unity – *Stefaan Werbrouck in Dutch*

It is the subject of revelation and the task of the initiate to reveal with which I am concerned. The disciple, who represents the Ashram, must reveal to humanity the essential unity underlying all creation.
