**LET THE 'FORCES OF CREATIVE LIFE' CIRCULATE AND THE LAW OF ELEVATION CONTROL**

*All this involves personality integration and alignment and that magnetic, attractive appeal which is distinctive of all disciples in some form or another. In this way from the standpoint of esotericism, certain great triangles of energy will be found in the individual and consequently increasingly in humanity. Then too the "forces of creative life" will circulate from the "point within the head" (the head centre) along the "line to the heart" and then, with the throat centre, form a "triangle of fiery light". Such is the Way of Group Progress, and when this is being consummated, then the Law of Group Progress begins definitely to function and to control.*

#### AFTERNOON SESSION, EVERYONE WELCOME

**14h00** Introduction – *in French*

**14h05** Power and Freedom of Creative Life in the Aquarian Age – *Kathy Newburn in English*

As we develop the sense of purity in man, as the growth of the sense of responsibility is fostered, and as his love of beauty, of colour and of ideas proceeds, we shall have a rapid increase in the raising of the lower into union with the higher, and thereby the beautifying of the Temple of the Lord will be tremendously accelerated. In the coming Aquarian age this will go rapidly forward. The majority of people today live below the diaphragm, and their energies are turned outward into the material world and prostituted to material ends. In the coming centuries this will be corrected; their energies will be transmuted and purified, and men will begin to live above the diaphragm. They will then express the potencies of the loving heart, of the creative throat, and of the divinely ordered will of the head.

**14h20** How can the Individual note reinforce the Group Note? – *Gabrielle Körber in German*

The members are trained in the group, and the group is trained as a whole, with no emphasis upon the individual but only on the group interplay and interaction, its integration and growth. Only those factors in the life of the individual are noted and handled which would hinder the growth of the group life and expression. It is the group note, the group colour, and the group development which count with the training staff of workers, and the individual is never considered as an individual, but only in his relation to the group.

**14h45** Progress and Death are Two Sides of the Same Process – *Daniel Laumone in French*

We are apt, however, to forget that what is true of the individual is true of humanity. Cycles of civilisation such as that we call our modern civilisation are analogous to a particular, individual, human incarnation with its inception, its progress and growth, its useful maturity and its ensuing deterioration and subsequent death or the passing away of the form.

**15h00** Group Meditation – *in German*

**15h45** The Fire of Love and Will to Ignite Creative Service – *Ana Ma. Marin in Spanish*

In the thoughts of purity, dedication, love and service, are summed up the nature and the destiny of man, and it should be remembered that they do not stand for so-called spiritual qualities, but for potent occult forces, dynamic in their incentive and creative in their result. This should be pondered on carefully by all aspirants. .

**AFTERNOON SESSION: EVERYONE WELCOME**

**14h00** Introduction – *in French*

**14h05** The Art of Spiritual Compromise – *Svtelana Orlova in Russian*

There is an "art of spiritual compromise" which must be learnt and which it is difficult to master, because it negates fanaticism, requires a trained and intelligent understanding of applied measures and truth, and also negates evasion of responsibility; it involves also a comprehension of the time equation, of differing points in evolution, plus experience in the process of discarding the outgrown and unnecessary—no matter how good it may appear to be.

**14h20** The Law of Group Progress and its Planetary Impact – *Sara Salvi in Italian*

The Law of Group Progress can only begin to have a conscious effect in the life of the disciple who has been pledged and accepted. When he has established certain rhythms, when he is working effectively along certain well recognised group lines, and when he is definitely and in understanding consciousness preparing himself for the expansions of initiation, then this law begins to sway him and he learns to obey it instinctively, intuitively and intellectually. It is through obedience to this law that preparation for initiation is instituted by the disciple. The previous sentence is so worded because it is important that all should grasp the self-initiated necessity of initiation. Do we understand this importance?

**14h45** The forming of the New Group of World Servers assures the birth of a new civilization – *Hub Pittie in Dutch*

There is much to do and much to study and explain before the work can come to fruition. There are many groups, working under the Masters, who have been in training for years, fitting themselves for the task to be done. Slowly and gradually, the new concepts and the new techniques of civilisation and of group work—suitable for the New Age—are emerging in the consciousness of the disciples in the world.

**15h45** An Intuitive Group is the Embryo of World Unity – *Florence Bekaert in French*

That which counts with the Hierarchy as the Ashrams function is the establishing subjectively of such a potent group interplay and group relation that an *emerging world unity can be seen in embryo*. A joint power to be telepathic or a group capacity to intuit truth is of value and somewhat novel. It is the functioning of groups who have the ability to work as a unity, whose ideals are one, whose personalities are merged into one forward swing, whose rhythm is one and whose unity is so firmly established that naught can produce in the group the purely human characteristics of separation, of personal isolation and selfish seeking, that is new. Unselfish people are not rare. Unselfish groups are very rare.
