

Visualization on the Dissipation of World Glamour

Alignment and Group Fusion:

Achieve alignment with the soul. This can be done through the imaginative fusion of the soul and personality rays.

Link consciously with your group brothers and sisters, thinking outwardly in love towards one another. For the purposes of this visualisation, this can be the people in this room, the Arcane school or members of a service/goodwill group.

In your imagination see each member as a point of light, fusing and blending to make a radiant sun, with rays of light going out towards the four corners of the earth.

Visualization:

Ponder the phrases contained in this ancient writing

"The disciple stands and, with his back to the glamorous fog, looks towards the East from whence the light must stream. Within his heart he gathers all the light available and from that point of power between the shoulder blades the light streams forth." (*Glamour*, p. 142)

Imaginatively stand with your back to the world of glamour with the eye of the mind focused on the soul, whose nature is LOVE.

Interlude and Stabilization:

Pause for a few minutes to stabilize yourself for the work, and definitely and consciously focus the light available from all sources within the heart centre. Imagine that centre between the shoulder blades as a radiant sun which corresponds to the "Heart of the Sun." This sun is directed by the "Central Spiritual Sun," localized in the head. Visualize the dual, synthetic, activity of head and heart.

Dissipation of Glamour:

See a shaft of pure white light, broad and brilliant, pouring out of the heart centre between the shoulder blades, on to the fogs and mists of the astral plane.

See your particular shaft of light blended with all the other shafts of light which your group brothers are projecting. Holding the consciousness steady, visualize a great flood of directed light coming from the group pouring out and dissipating that fog. Hold this point of focused intention.

Distribution:

As a group link our group with the other groups working along similar lines throughout the world.

As group, say the following mantram:

"Let the Forces of Light bring illumination to mankind.
Let the Spirit of Peace be spread abroad.
May Men of Goodwill everywhere meet in a spirit of cooperation.
Let Power attend the efforts of the Great Ones."

Then sound the Sacred Word, the O.M. three times.
