

Twelve Spiritual Festivals

Meetings - New York

2020 CALENDAR

The physical proximity of fellow meditators can greatly augment the power and successful achievement of the meditation's purpose of helping humanity to move towards its spiritual goal. We hope, therefore, to be able to welcome you in person at these meetings; for those of you who live further afield, your subjective participation at these times will greatly augment this group service.

All meetings (unless otherwise indicated) will be held in our offices at **866 United Nations Plaza, Suite 482, New York, NY 10017**. **Please note** all meetings begin at 6:30 pm except those marked with an *. A timely arrival would be appreciated so as not to disrupt the meeting which is being broadcast to co-workers around the world.

The rhythm of the Full Moon is used to schedule these meditations as it marks the time each month when the divine energies of Light, Love, and Power are at their peak and their impact can be registered by a group and radiated into human consciousness.
