In Resonance with the Living Earth

*Human Responsibility – Evolutionary
Challenge*

A World Goodwill Seminar

1pm – 5.30pm, Saturday, 10 November 2018

3 West Club, 51st Street, New York

Human beings are closely connected with the Earth. It is our home, the Mother. Crises in this relationship, together with a dawning awareness of the livingness of the whole of which we are a part, present humanity with a profound evolutionary challenge.

5:15 Meditation and Closing

World Goodwill is an organized movement founded in 1932 to help establish right human relations and solve humanity's problems through the constructive power of goodwill. World Goodwill's activities are essentially educational.

The work of World Goodwill is based on the principles of brotherhood, human unity, sharing and cooperation; and on the fundamental rights and freedoms embodied in the United Nations Universal Declaration of Human Rights. World Goodwill is a world service organization practicing the principle of non-discrimination in race, religion, ideology and political and economic convictions.

World Goodwill has three main objectives —

- To help mobilise the energy of goodwill.
- To cooperate in the work of preparation for the reappearance of the World Teacher.
- To educate public opinion on the causes of the major world problems and to help create the thoughtform of solution.
