Notes:

- (-) indicates the day *previous* to the date stated in the first column.
- (+) indicates the day *following* the date stated in the first column.
- (#) indicates a total eclipse near to the time of the new or full moon.
- (^) indicates partial or annular eclipses near to the time of the new or full moon.

Please note that the times published here are for 'standard time' within the zone indicated.

* European Summer Time (EST) will run from 26 Mar 2023 to 29 Oct 2023

** The astrological sign shown in this column is the sign relating to the sun rather than the moon.

The Three Spiritual Festivals will be celebrated on the following days — EASTER: 6th April; WESAK: 5th May; CHRIST'S FESTIVAL and WORLD INVOCATION DAY: 3rd June.

Please check locally for the actual days of the festival meetings.

All times are taken from the Swiss Ephemeris. Eclipse Predictions by Fred Espenak, NASA GSFC Emeritus
