

# FESTIVAL MEDITATION MEETINGS — London 2025

The full moon marks the time when the impact of the divine energies of Light, Love and Power are at their peak and can be registered by a group and radiated into human consciousness. The group's power to help humanity move towards its spiritual goal can be greatly enhanced by the physical presence of fellow meditators.

**Meetings will be held at the Lucis Trust library, Suite 54, 3 Whitehall Court, SW1A 2EF**  
**Simultaneous Zoom events will be broadcast online**
