

The Cycle of Conferences Visualization
World Economic Forum, Annual Meeting 2025, Davos, Switzerland
January 20 – 24, 2025

Today, in the planning now going forward in connection with the various international conferences and councils of which you all know, the spiritual effort (for the first time in human history) is to bring all of them, as functioning groups, under the direct impact of the energy which motivates and actuates that place where the Will of God is known and the purposes of divinity are defined and projected. This means that each of the coming world conferences (and there will necessarily be many) will have a greater and far more extensive effect than would otherwise be the case.

(The Externalisation of the Hierarchy p. 447)

1. Link up with the souls of all fellow servers who are meditating on Collaboration for the Intelligent Age and the World Economic Forum.

2. Visualize a tide of lighted energy pouring down from the “Centre where the Will of God” is known and pouring into the centre Humanity. Imagine the whole group sounding the affirmation of the Will together:

"In the centre of the will of God I stand. Naught shall deflect my will from His. I implement that will by love. I turn towards the field of service. I, the Triangle divine, work out that will Within the square and serve my fellowmen."

3. Using the creative imagination, project a lighted seed of ‘will energy’ into the heart of the thoughtform under construction on Collaboration for the Intelligent Age in connection with the Meeting. See myriad streams of ‘living will energy’ connected to it by co-workers around the world.

4. Reflect for a few minutes on the seed thought:

Consider the role of the will-to-good in the work of collaborating for an age of intelligence and wisdom.

See the essence of any ideas and reflections adding to the potency of the group thoughtform.

5. Visualize the pulsating nucleus of light at the heart of the thoughtform being fanned into a flame by the group gaze and see its radiation touching the consciousness of all participants at the Meeting.

6. Quietly sound the Great Invocation, imaginatively hearing it being chanted by the worldwide group. As you do so, visualize the outpouring of Light and Love and Power through the five planetary inlets London/Darjeeling/New York/Tokyo/Geneva), irradiating and enlightening the proceedings of the World Economic Forum Annual Meeting in Davos.

From the point of Light within the Mind of God
Let light stream forth into human minds.
Let Light descend on Earth.

From the point of Love within the Heart of God
Let love stream forth into human hearts.
May the Coming One return to Earth.

From the centre where the Will of God is known
Let purpose guide all little human wills –
The purpose which the Masters know and serve.

From the centre which we call the human race
Let the Plan of Love and Light work out
And may it seal the door where evil dwells.

Let Light and Love and Power restore the Plan on Earth
