

FESTIVAL MEDITATION MEETINGS — London 2026

The full moon marks the time when the impact of the divine energies of Light Love and Power are at their peak and can be registered by a group and radiated into human consciousness. The group's power to help humanity move towards its spiritual goal can be greatly enhanced by the physical presence of fellow meditators.

Meetings will be held at the Lucis Trust library, Suite 54, 3 Whitehall Court, SW1A 2EF
Simultaneous Zoom events will be broadcast online in English and Greek.

The meetings will be broadcast via zoom www.lucistrust.org/broadcast
