- 13:30 Welcome Headquarter Group
- 13:40 **Meditating on the laws of the fifth kingdom while living in the fourth** *Kathy Newburn (English)* “A united world group given to unanimous and simultaneous meditation ... for the jurisdiction of the Christ.” ...The task is, through meditation, to establish the knowledge of and the functioning of those laws and principles which will control the coming era, the new civilisation and the future world culture. Until the foundation for the coming “jurisdiction” is at least laid, the Christ cannot reappear; if He came without this due preparation, much time, effort and spiritual energy would be lost.
- 14:00 **Do the current tensions in the world have anything to do with the Coming One?** *Marcos Piñeiro (Spanish)* Always in moments of crisis and tension, the cry of humanity has evoked response from the Hierarchy which has come, sometimes rapidly, sometimes more slowly, but always inevitably. In modern history, two such Approaches are recognised as existing on a broad human scale, i.e., the one which focussed through the coming of the Buddha to the Eastern civilisation and that which focussed through the Christ, coming to the West. Another Great Approach is now at hand but its date is dependent upon the activity of the New Group of World Servers and the spiritual tension which they can achieve.
- 14:15 **Visualisation** *(French)*
- 14:25 **Why is it sufficient to have the only life intention of preparing human minds and hearts for the reappearance of the Coming One**
Florian Harvey (French) We are also told that “it is the Will aspect of Love which the Christ will of necessity use this time when He comes.” Deeper understanding of this energy and consequently, a more powerful evocation of it should therefore be an integral part of our work in “preparing men’s mind and hearts for that event.”
- 14:40 **Group Meditation: Letting in the Light** *(Italian)*
- 14:55 **Break**
- 15:25 **The Christ and His disciples, the Masters of Wisdom and the Great Companions, are approaching nearer to the physical plane**
Nina Babenkova (Russian) The work of mental preparation for that event, and the construction of the thoughtform of the advent or second Coming, has now been completed. There remains the precipitation of that event, its appearance on astral levels and its materialisation on the physical plane. I would ask all of you who read these words anent the second Coming, to reserve opinion as to the exact nature of that event.
- 15:40 **Group Discussions** - in several language groups
- 17:10 **Group Meditation: Letting in the Light** *(German)*
- 17:30 **Close**

Sunday, 19 May

Afternoon Session *All Welcome*

- 13:30 **Welcome** Headquarter Groupe
- 13:40 **The reform of the world religions through the introduction of common sense and progressive ideas.** *Peter Peuler (French)* Much of the work to be done, therefore, will be purely economic and will concern the right feeding and the development of a true security for millions who—for many lives—will not be interested in matters esoteric. The reform of the churches of the many world religions is another aspect of the same work, requiring no occult information but the introduction of commonsense and progressive ideas into theology, and the shift of the ecclesiastical emphasis from material values to the spiritual.
- 13:55 **The Plan and the reappearance of Christ. Discerning the signs and how to collaborate therewith.** *Sietske Hooijen (Dutch)* But to do this within the Plan and at the same time to recognise the basic synthesis in which we live and move, the disciple must learn to analyse, discriminate and discern those aspects, qualities and forces which must be creatively used in the materialisation of the intuited Plan, based on the sensed vision. We might well ponder on this rapport between the man, and the Hierarchy, via a man's own soul. The Hierarchy exists in order to render possible in form that sensed Plan and divine Vision. To produce this emergence of truth, the man stands also at the midway point, and in handling the great dualities of life, must produce the new world.
- 14:10 **Visualisation** *(French)*
- 14:20 **The spiritual effort of developing oneself into a vibrant and powerful centre of fundamental, universal love** *Gabrielle Körber (German)* There is no light or dark to the soul but only existence and love. Rest back on that. There is no separation but only identification with the heart of all love; the more you love the more love can reach out through you to others. The chains of love unite the world of men and the world of forms and they constitute the great chain of Hierarchy. The spiritual effort you are asked to make is that of developing yourself into a vibrant and powerful centre of that fundamental, universal Love.
- 14:35 **Group Meditation: Letting in the Light** *(Spanish)*
- 14:50 **Break**
- 15:20 **Lifting the pitch of mass consciousness so it can welcome the love principle into daily life** *Giuseppe Piazza (Italian)* The work of pouring out the principle of love (which is the Christ principle) and of lifting the masses in their consciousness to the pitch where they can understand and welcome that love-principle is the main work of the new age, and it will inaugurate the age of brotherhood and mould humanity into the likeness of the Christ. That the oriental peoples may call this great Official by another name than that of "The Christ" has no bearing on reality and alters not the fact of His influence and His esoteric coming.
- 15:35 **Group Discussion** - in several language groups
- 16:40 **Group Meditation: Letting in the Light** *(English)*
- 17:00 **Close** *All speakers, on both days of the Conference, are students of the Arcane School.*
