

# The Mantram of Unification

*(adapted)*

The souls of all are one and I am one with them.

I seek to love, not hate;

I seek to serve and not exact due service;

I seek to heal, not hurt.

Let pain bring due reward of light and love.

Let the soul control the outer form,

And life and all events,

And bring to light the Love

That underlies the happenings of the time.

Let vision come and insight.

Let the future stand revealed.

Let inner union demonstrate and outer cleavages be gone.

Let love prevail. Let all people love.
