*A World Goodwill Seminar*

1pm – 5.30pm, Saturday, 10 November 2018

Amba Hotel, Charing Cross, London WC2N 5HX

# In Resonance with the Living Earth

*An afternoon of talks, discussion and meditation on how human consciousness is interconnected with the earth and all its lifeforms, and how we may be inspired to cooperate with evolutionary purpose.*

## **What's Wrong with our Present-Day Scientific Thinking?**

*Jeremy Dunning-Davies*

Jeremy is a retired senior lecturer of Hull University

in the departments of mathematics and physics: “We will peer behind the veil of human history, and discover that the basic mental topography of modern man and his morality contain within them a basic hidden flaw, a secret which once unbound may lead toward the brightest future. Hope lies hidden.”

## **Relationships for Change: A Path towards Resonance with all of Life**

*Jen Morgan*

Jen is a strategist/

entrepreneur working to “co-design and co-create strategies that can help accelerate human evolution and the thriving of all life on the planet.” Jen is the Co-Founder of the Finance Innovation Lab – a globally recognized organisation for social innovation, and is currently Executive Director for The Psychosynthesis Trust.

## **Sensing Evolutionary Potential: Co-creating Magnificence with the More-than-Human**

*Giles Hutchins*

Giles is a keynote speaker,

adviser and executive coach at the fore-front of a [r]evolution in leadership consciousness and organisational development, stimulating head-space and heart-knowing for forward-leaning leaders and organisations to become vibrant, purposeful and future-fit. He is the author of three books, and his latest TEDx talk is entitled *[R]evolution: Separateness to Connectedness*. He blogs at [www.thenatureofbusiness.org](http://www.thenatureofbusiness.org)
