

## **The Cycle of Conferences Visualization Sustainable Development Goals Summit, September 18 – 19, 2023**

*Today, in the planning now going forward in connection with the various international conferences and councils of which you all know, the spiritual effort (for the first time in human history) is to bring all of them, as functioning groups, under the direct impact of the energy which motivates and actuates that place where the Will of God is known and the purposes of divinity are defined and projected. This means that each of the coming world conferences (and there will necessarily be many) will have a greater and far more extensive effect than would otherwise be the case.*

*(The Externalisation of the Hierarchy pg 447)*

1. Link up with the souls of all fellow servers who are meditating on the Sustainable Development Goals Summit.

2. Visualize a tide of lighted energy pouring down from the “Centre where the Will of God” is known and pouring into the centre Humanity. Imagine the whole group sounding the affirmation of the Will together:

"In the centre of the will of God I stand. Naught shall deflect my will from His. I implement that will by love. I turn towards the field of service. I, the Triangle divine, work out that will Within the square and serve my fellowmen."

3. Using the creative imagination, project a lighted seed of ‘will energy’ into the heart of the thoughtform under construction in connection with the Summit. See myriad streams of ‘living will energy’ connected to it by co-workers around the world.

4. Reflect for a few minutes on the seed thought:

**"A recognition of the unity of all life and an economics based on simplicity and sharing are essential for the realization of the sustainable development goals."**

See the essence of any ideas and reflections adding to the potency of the group thoughtform.

5. Visualize the pulsating nucleus of light at the heart of the thoughtform being fanned into a flame by the group gaze and see its radiation touching the consciousness of all participants at the Forum.

6. Quietly sound the Great Invocation, imaginatively hearing it being chanted by the worldwide group. As you do so, visualize the outpouring of Light and Love and Power through the five planetary inlets (London/Darjeeling/New York/Tokyo/Geneva), empowering all who are promoting ecological awareness and awakening humanity’s sense of responsibility to the lower kingdoms of nature.
