

The Cycle of Conferences Visualization
UN Civil Society Conference, Nairobi, Kenya
May 9 – 10, 2024

Today, in the planning now going forward in connection with the various international conferences and councils of which you all know, the spiritual effort (for the first time in human history) is to bring all of them, as functioning groups, under the direct impact of the energy which motivates and actuates that place where the Will of God is known and the purposes of divinity are defined and projected. This means that each of the coming world conferences (and there will necessarily be many) will have a greater and far more extensive effect than would otherwise be the case.

(The Externalisation of the Hierarchy p. 447)

1. Link up with the souls of all fellow servers who are meditating on the UN Civil Society Conference as it contemplates future possibilities connected with the forthcoming Summit of the Future.

2. Visualize a tide of lighted energy pouring down from the “Centre where the Will of God” is known and pouring into the centre Humanity. Imagine the whole group sounding the affirmation of the Will together:

"In the centre of the will of God I stand. Naught shall deflect my will from His. I implement that will by love. I turn towards the field of service. I, the Triangle divine, work out that will Within the square and serve my fellowmen."

3. Using the creative imagination, project a lighted seed of ‘will energy’ into the heart of the thoughtform under construction on a shared vision for the future in connection with the Conference. See myriad streams of ‘living will energy’ connected to it by co-workers around the world.

4. Reflect for a few minutes on the seed thought:

Consider the nature or type of world government that should emerge out of the present major world ideologies.

See the essence of any ideas and reflections adding to the potency of the group thoughtform.

5. Visualize the pulsating nucleus of light at the heart of the thoughtform being fanned into a flame by the group gaze and see its radiation touching the consciousness of all participants at the Conference.

6. Quietly sound the Great Invocation, imaginatively hearing it being chanted by the worldwide group. As you do so, visualize the outpouring of Light and Love and Power through the five planetary inlets London/Darjeeling/New York/Tokyo/Geneva), irradiating and enlightening the proceedings of the UN Civil Society Conference in Nairobi.

From the point of Light within the Mind of God
Let light stream forth into human minds.
Let Light descend on Earth.

From the point of Love within the Heart of God
Let love stream forth into human hearts.
May the Coming One return to Earth.

From the centre where the Will of God is known
Let purpose guide all little human wills –
The purpose which the Masters know and serve.

From the centre which we call the human race
Let the Plan of Love and Light work out
And may it seal the door where evil dwells.

Let Light and Love and Power restore the Plan on Earth
