

The Cycle of Conferences

Visualisation on: **Action for People and Planet: Six Sustainable Development Summits at the United Nations, September 21-27**

YOUTH CLIMATE (21); CLIMATE ACTION (23); UNIVERSAL HEALTH COVERAGE (23); SDGs (24-25); FINANCING FOR DEVELOPMENT (26); SMALL ISLAND DEVELOPING STATES (27)

Today, in the planning now going forward in connection with the various international conferences and councils of which you all know, the spiritual effort (for the first time in human history) is to bring all of them, as functioning groups, under the direct impact of the energy which motivates and actuates that place where the Will of God is known and the purposes of divinity are defined and projected. This means that each of the coming world conferences (and there will necessarily be many) will have a greater and far more extensive effect than would otherwise be the case. (The Externalisation of the Hierarchy pg 447)

1. Link up with the souls of all fellow servers who are meditating on the Six Sustainable Development Summits.
2. Visualise a tide of lighted energy pouring down from the "Centre where the Will of God" is known, and pouring into the centre Humanity. Imagine the whole group sounding the affirmation of the Will together:

*In the centre of the will of God I stand.
Naught shall deflect my will from His.
I implement that will by love.
I turn towards the field of service.
I, the Triangle divine, work out that will
Within the square and serve my fellowmen.*

3. Through the mind's eye, project a lighted seed of 'will energy' into the heart of the thoughtform under construction in connection with the relevant Summit. See myriad streams of 'living will energy' connected to it by co-workers around the world.
4. Reflect for a few minutes on the seed thought:

A recognition of the unity of all life and an economics based on simplicity and sharing are essential for the realisation of the sustainable development goals.

See the essence of any ideas and reflections adding to the potency of the group thoughtform.

5. Visualise the pulsating nucleus of light at the heart of the thoughtform being fanned into a flame by the group gaze and see its radiation touching the consciousness of all participants at the relevant Summit.
6. Quietly sound the Great Invocation, imaginatively hearing it being chanted by the worldwide group. As you do so, visualise the outpouring of Light and Love and Power through the five planetary inlets (London/Darjeeling/New York/Tokyo/Geneva), empowering all who are promoting ecological awareness and awakening humanity's sense of responsibility to the lower kingdoms of nature.
