

World Good Will Seminar* 2017

The Sustainable Development Goals in the Light of Right Human Relations: Discerning Truth in the Information Age

Friday 17 November 2017
Palais des Nations** – Geneva

Program
15:00-18:00***

An afternoon of reflection and discussion on the theme of the role right human relations and good will can play in the challenges, which not only the United Nations but also affiliated NGOs and humanity itself are facing when trying to implement the 2030 agenda or the Sustainable Development Goals.

**Right Human Relations and the SDGs – the
fundamental role of Good Will**

Mintze van der Velde – World Good Will
– Geneva

What is the Role of Science in our Society?

Dr. Jim Ryder – served as Vice President of
Lockheed Martin Space Systems Company
and head of the Advanced Technology
Center.

**Lifestyle as Medicine for Good Health and
Wellbeing**

Dr. Albert van der Velde – Integral GP in
the Netherlands and Co-founder and
Board Member of “Voeding Leeft”.

Truth is always the next step

Patrice Brasseur – founder of the
psychosophie : a cross road of philosophy,
spirituality and psychology
